

International Methanol Conference

Methanol and the Energy Transition

November 5-7, 2024 - Singapore

Josh Saxby

Director, Specialised Products

H. Clarkson & Company Limited

Josh Saxby has worked for Clarksons for over a decade, and is the Global Head of Specialised Products Analysis & Advisory Services, as well as a Director of H. Clarkson & Co. Ltd. Leading a team of 7 people in London and Singapore, the Specialised Products Analysis team is deeply embedded working alongside the brokers, adding commercial value to every stage of the transaction process. Josh and his team work with an array of different clients including charterers, shipowners, investment banks and private equity funds, leveraging their unique data and insight to help them make informed decisions through bespoke strategy creation and verification. Josh completed an MBA at the Bayes (formerly Cass) Business School at City, University of London in July 2022.
